Camp Certification

The City of Rockville Department of Recreation and Parks strives to maintain the highest quality programs and professional standards. In conjunction with this goal, the camp program is self regulated under the Maryland Department of Health and Mental Hygiene and undergoes periodic inspections. As a result of this certification, there are specific policies and procedures the city must follow to comply with regulations. All required forms are available at www.rockvillemd.gov/campforms. **Note: Forms can be duplicated if your child is attending multiple camps.**

Participant Health and Information Form

This form will be sent electronically along with other important information and forms prior to the start of each camp session. Be sure to complete and send with your child on the first day of camp. This form also includes important dismissal information.

Prescription/Non-Prescription Medication

If your child will be taking medication during camp time, specific medical forms must be completed prior to attending. The forms may be obtained by downloading them at www.rockvillemd.gov/campforms or emailing camps@rockvillemd.gov. These forms must be signed by a physician.

Immunizations

If your child is not currently attending a school in Maryland, you must provide a copy of proper immunizations upon registration. Note: This will apply particularly to those entering kindergarten.

In conjunction with this goal, the camp program is self regulated under the Maryland Department of Health and Mental Hygiene and undergoes periodic inspections. As a result of this certification, there are specific policies and procedures the city must follow to comply with regulations. All required forms are available at www.rockvillemd.gov/campforms. **Note: Forms can be duplicated if your child is attending multiple camps.**

- **Participant Health and Information Form**

This form will be sent electronically along with other important information and forms prior to the start of each camp session. Be sure to complete and send with your child on the first day of camp. This form also includes important dismissal information.
